

# MULTI-THREAT ARMOR PLATFORM (MTAP)

MTAP-100

The MTAP was created for SWAT & special operation units to ingress & egress from aircraft in routine operations. The lightweight & low bulk vest consists of front, rear, shoulder, and side ballistic coverage. The integrated waist cummerbund integrates easily with assorted flotation options for over-water missions and can be easily adjusted to various torsos for form, fit, & function. The ballistic shoulder pads are fully adjustable to accommodate multiple torso lengths.

MTAP features SALUTE™ laminate by MIL-PRO®, "A game-changer"!
